Technical drawing of a door threshold showing dimensions and mounting details. The drawing includes a side view and a top view. The side view shows a threshold with a height of 25 mm and a width of 19 mm. The top view shows a threshold with a width of 20 mm and a height of 4 mm. The drawing also shows the mounting of the threshold to the floor and the door frame, with a yellow circle indicating the mounting point. The text 'Bestellmaß Höhe' is written vertically on the left side of the drawing.

Technical drawing of a stepped profile. The drawing shows a cross-section with a total width of 35 and a total height of 14,5. The profile has a base of 35, a central rectangular cutout, and a right-side extension. The height of the base is 14,5. The central cutout has a width of 15 and a height of 10. The right-side extension has a width of 5 and a height of 14,5.
